

## Scoring Form for QE Oral Presentation (to be completed by the advisor)

Name of Student: \_\_\_\_\_

Date: \_\_\_\_\_

### LEGEND

Excellent = 5 points

Very Good = 4 points

Good = 3 points

Fair = 2 points

Poor = 1 point

Instructions: Enter a Rating Score that represents the consensus of the committee for each of the items below. Then enter a Total Score that represents the consensus of the committee for the entire oral presentation (the Total Score is not necessarily an average of the rating scores, but it should roughly reflect the rating scores). The student must receive a Total Score of at least 3.0 to receive a "Pass" on the oral presentation. A "Pass" indicates that the student achieved a high standard of scholarship, and that the student has passed the entire Qualifying Exam. **Advisor: Email this Scoring Form and each committee member's Comments Form to the NACS office by November 30.**

	Rating Score
1 The student presented a coherent and understandable overview of the proposal.	
2 The visual material presented by the student was well designed.	
3 The student adequately addressed issues raised in the reviewers' comments.	
4 The student adequately answered questions that arose during the oral presentation that were not raised in the reviewers' comments.	
5 The student's arguments displayed a knowledge of the history of their research field and its associated techniques, as well as those outside their research discipline.	
6 The student's arguments displayed an understanding of the future of the research field.	
7 The student's arguments displayed an interdisciplinary appreciation of the research field.	

Total Score for the entire Oral Presentation:
