Report of Dissertation Proposal
Neuroscience and Cognitive Science Program

Student: _____ Date of Meeting: _____

This was a: ☐ **First Meeting** ☐ **Repeat Meeting**

Committee Recommendation: ☐ **Proposal Accepted** ☐ **Repeat Proposal Meeting**

If the recommendation is for a repeat meeting, what are the specific problems the student must correct?

The proposal is meant to be a roadmap for students to complete their dissertation. If the expectations and timeline discussed at the meeting deviate from the proposal as written by the student, they should be clearly described here so that the student, committee, and advisor are all on the same page.

☐ 1. Animals used in research
☐ 2. Human subjects used in research
☐ 3. No animals or human subjects used in research

If box 1 or 2 is checked, you must provide campus protocol number and date _____
If box 1 or 2 is checked, you must provide a copy of the approval letter. If research is done off campus, you still must have a campus protocol review.
